Raising Children with Confidence

This is a 7 week course which aims to give all parents/carers the chance to explore emotional health and wellbeing and consider how they can best promote it in themselves and their children. Drawing on latest research it helps explain why parents' actions make a difference to children's emotional wellbeing and future positive mental health. This programme is suitable for **parents/carers of children aged 0-11yrs.**

See listings www.joininedinburgh.org/parenting-programmes/raising-children-confidence/

Raising Teens with Confidence

This is a 6 week course **for parents and carers of teens** aims to help adults understand how they can best support their teenagers to navigate increasing independence; develop confidence, security and resilience; promote and benefit from emotional wellbeing. The latest research around what helps support emotional wellbeing throughout life is used. This includes adolescent brain development, risk taking behaviour, importance of communication and the effects of stress. Courses run in some Edinburgh Secondary schools.

Contact admin@growingconfidence.org

The Psychology of Parenting Project (PoPP) provides two positive parenting programmes for **parents/carers of 3-6 year olds**, The Incredible Years and Triple P. The courses offer help to adults to strengthen their relationship with their child and encourage positive behaviour.

The courses look at effective techniques for dealing with common childhood behaviour problems. Strategies to manage behaviours such as aggressiveness, tantrums, shouting, answering back and refusing to follow rules are also explored. Specially trained group leaders work with parents/carers on goals for themselves and their family. There is also 1:1 phone support.

There are crèche places and help with transport costs can be arranged.

[Parenting Apart Information Session](#)

Splitting up? Living Apart? Divorcing? Separating? Do you want to know how to help your children through it all? A session is an opportunity to learn how you and your children can move forward positively. You'll gain insight into what your family are going through and how to handle the transition to living apart in a way that's best for everyone. Sessions generally last 3 hours. They are for groups of mums and dads, and may also be available on a 1:1 basis in some areas. You and your child's other parent go to different sessions. The facilitators are experienced family support professionals who will explain what your children need from you and their other parent. For more information contact 0131 226 4507

Stress Control

Don't feel you just have to go on struggling with stress yourself! Learn proven techniques to manage stress and improve sleep. This series of **6 free classes** is for people who recognise the signs of stress such as worry, tiredness, poor sleep, feeling worthless, panic attacks, feeling on edge, being tearful, feeling irritable, in themselves or someone close to them. All classes are delivered by NHS staff and are open to adults of all ages. The classes are delivered in a lecture format so participants will not be asked to speak in front of a group.
