Subject: RE: Delegation request - Link-Up Women's Support Centre.

Hi Carmel,

After speaking with my management committee I would like to confirm that we wish to send a deputation to the Council Meeting on 11th March. We will be raising issues around project funding and lack of consultation / partnership working.

Can you please let me know if you need anything else in writing from us to be put into council papers.

At the moment a member of our management committee, Brenda Moir who is a wheelchair user is planning to come along with me. Can you advise if there is parking in the quadrangle for her as she is aiming to come in her own car. At the moment I am not sure if she will wish to stay and observe at the meeting for a while after we have presented our deputation. Can you please make arrangements for her to be suitably accommodated if she wishes to remain.

Please feel free to get back in touch with me to make any necessary arrangements. I don't work on Wednesdays but can be contacted between 10am to 3.30pm Monday, Tuesday and Thursday and 10am to 1pm on Fridays. Our office number is 0131 661 9292.
