Subject: Deputation to Council on 11 March 2010 - Portobello High School

Dear Carmel,

I wish to make an oral representation to the Council prior to its consideration of the report on Portobello High School on 11 March 2010. I am Vice Chair of the Parent Council of Portobello High School and will make my representation on its behalf. Although the Chair of the Parent Council would have liked to have made the representation himself he is unable to do so due to a pre-arranged business trip to the south of England.

I hope you are able to meet my request. If so, could you please let me know when I might be expected to make my representation to the Council and how long I will have to make it.

Regards,

Paul Smart
Vice Chair
Parent Council
Portobello High School
