Subject: Fwd: FW: City of Edinburgh Council 11 March 2010 - Request for a Deputation

Hi Allan,

We (Friends of The Number Shop) requested a deputation at the full council meeting tomorrow as The Number Shop was on the agenda (item 9.1)...as you will see, Carmel has replied stating that we actually need to forward our request to you for the Education, Children and Families committee meeting next week.

Please can you let us know if a deputation is possible, so we can make arrangements.

Thanks.

Regards,
Friends of the Number Shop

Further to my earlier e-mail, can I add that, in accordance with the Council's Standing Orders, your request for a deputation on this subject can be forwarded to the Education, Children and Families Committee. The next meeting of that Committee will be held on Thursday 18 March 2010. If you wish your request to be forwarded to that committee please contact my colleague Allan McCartney on 0131 529 4246 or at allan.mccartney@edinburgh.gov.uk.

I refer to your request for a deputation to tomorrow's Council meeting regarding item 9.1 on the agenda which is a report from the South West Neighbourhood Partnership on the Community Learning and Development Review.

Having met the Lord Provost this morning to discuss agenda items, I can confirm that he has decided, in accordance with the Council's Standing Orders, that this item of business is not technically relevant and he will therefore rule accordingly at tomorrow's meeting. His
