

Dear Council Secretary

Please can you pass this on to the planning committee members & some of their e-mail addresses aren't working & the messages are bouncing back to me, many thanks, Richard Meadows.

I am writing to you to register my objection to the proposed development for housing at the Zoo in Corstorphine.

The main reason for my & my family's objection is the danger of extra traffic along Old Kirk Road & surrounding streets. I am sure you will empathise with our concerns. We have two young children at Corstorphine Primary (as do quite a few neighbours) & this will not encourage us to be walking them to school. Any extra traffic on Old Kirk Road is not welcome from an amenity point of view too.

We have been family members of the Zoo for 10 years & can fully understand their financial needs; however, this should not override the needs & requests of local residents.

I look forward to hearing your opinions on this.

Kind regards,

Richard Meadows & family
