

Item No 3.1(b)

Subject: Deputation Request

Hi Rhona / Carmel

As it was yourselves I spoke with in order to arrange my last deputation to the full Council, I assume I am correct in directing this second request to yourselves, too...

Please, then, could you request a deputation slot for myself on the morning of Thursday 3rd February ahead of the Council's crucial debate and vote on the commissioning of independent advocacy services in Edinburgh?

Let me know if you require any further information. In the meantime, I will await confirmation from yourselves that a space is available.

Many thanks in advance.

Kind regards

David
