# Health, Social Care and Housing Committee Special Sub-Committee on Adult Social Care

Edinburgh, 5 December 2011

**Present:-** Councillors Edie (Convener), Child and Work.

## 1 Minutes

### Decision

To approve the minute of the Special Sub-Committee on Adult Social Care of 30 August 2011 as a correct record.

## 2 Care Commission and Social Care and Social Work Improvement Scotland Inspections

A summary was given of seven finalised inspection reports on care services provided by the Department of Health and Social Care. One inspection had been conducted by the Care Commission and the remainder by Social Care Social Work Improvement Scotland, now known as the Care Inspectorate.

Action plans for six care services which had been developed in response to the requirements and recommendations in the inspection reports, together with information on progress made on the issues identified, were presented as follows:

- Ferrylee
- Parkview
- South Gyle Respite Unit
- Jewel House Care Home
- Porthaven
- Overnight Home Care Service

Health, Social Care and Housing Committee  
Special Sub-Committee on Adult Social Care  
5 December 2011

**Decision**

To note:

- 1) the four services awarded grades 4 and 5 indicating 'good' and 'very good' performance.
- 2) that there had been no enforcement notices issued by the Care Commission/Care Inspectorate for any Department of Health and Social Care registered service, indicating the overall satisfactory performance of all services.
- 3) that one inspection had not resulted in any requirements or recommendations.
- 4) that requirements and recommendations generated as a result of the seven inspections had been addressed or were being progressed within agreed timescales.
