The Sub-Committee members have a report on the planning application which contains a summary of the comments received from the public. Copies of the letters are available for Councillors to view in the group rooms.

Scheduled times are approximate but within this the time limits for speakers will have to be enforced – speakers will be reminded when they have 1 minute remaining. Speakers should keep to “material planning matters” that the Sub-Committee can take into account. Any visual material must be submitted to Committee Services at least 24 hours before the meeting. Decisions will generally be to approve or refuse. Conditions of approval or reasons for refusal may be considered at a subsequent meeting. If the application is continued for further information, the Hearing will not be re-opened at a later stage and contributors will not be invited to speak again. In such cases, the public can attend the meeting to observe the discussion from the gallery.
