NOTES:

This application was continued by the licensing sub committee on 14 November 2014 for the Acting Director of Services for Communities to seek the views of the local ward members and community council and to allow public safety and road services to submit written responses

The application for renewal of the current Market Operator Licence was granted by the licensing sub committee on 14 November 2014, with the following additional conditions as standard;

- One market per calendar month only.
- There are no more than 12 stalls
- 21 days notice is to be given to the Director Of Services For Communities for approval of the date of any market to avoid potential clashes with other event
- All amplified music and vocals being controlled to the satisfaction of the Director of Services for Communities.

The applicants are asking the committee to vary these conditions to increase the number of stalls from 12 to 24 and to allow more than one market per month.
