Proposed Dunedin Dancers 23rd International Folk Dance Festival - 20 July 2015

Item number	4.1
Report number	
Executive/routine	
Wards	11 - City Centre

Executive summary

The City of Edinburgh Council has been notified of a proposed march by Dunedin Dancers, to take place on 20 July 2015.

The Council has limited powers in respect of marches. It can take no action and the march would proceed as the organiser intends. Alternatively it has the power to attach conditions or, under limited circumstances, to ban the march.

The march plans to use the High Street. The Regulatory Committee decided on 17 November that marches involving the High Street will be required to be submitted to the Licensing Sub-Committee for decision.

Recommendations

It is recommended that the Committee:

- 1.1 makes an order in respect of the proposed march, imposing the conditions attached at Appendix 2.

Background

- 2.1 Under the Civic Government (Scotland) Act 1982, anyone organising a procession in Scotland must notify the appropriate local authority and the police at least 28 days prior to the date of the event.
- 2.2 The City of Edinburgh Council has been notified that Dunedin Dancers intend to hold a march through the city on 20 July ([Appendix 1](#)).
- 2.3 The Council has limited powers available regarding the control of such events. These powers should only normally be exercised to prevent public disorder, risk to public safety, damage to property or excessive disruption to the life of the community. Main report

- 3.1 Public Safety officers have advised that they did not assess the EPOG process to be necessary with respect to this event due to its nature and small scale. There are no objections from Police Scotland. Roads Services has advised that Temporary Traffic Restriction Orders may be required, and that these will be managed without difficulty, should this be necessary
- 3.2 The route proposed leaves from Parliament Square West and proceeds down the Royal Mile to the Scottish Parliament building.
- 3.3 The standard conditions attached at Appendix 2 are recommended as being sufficient to minimise disruption to the community.

Measures of success

- 4.1 That the Council discharges its statutory duties in respect of this notification.

- 4.2 That any parade is facilitated wherever possible and is managed in a way that minimises potential disruption to the life of the community.

Financial impact

- 5.1 None arising directly from this report.
- 5.2 Council resources will need to be deployed on the day, in particular with respect to any road closures.

Risk, policy, compliance and governance impact

- 6.1 Should the Committee decide to restrict or prohibit the procession, the person proposing to hold the procession may appeal against that decision to the Sheriff Court within 14 days of written reasons being received by them.

Equalities impact

- 7.1 In coming to a decision, the Committee will have to consider the rights of the procession organisers to stage their procession, and the Council's duty to foster good relations and ensure the protection of public order and safety. These must be discharged against the relevant statutory duties.

Sustainability impact

- 8.1 There may be some short term environmental impact arising from any agreed procession:
- The proposed route crosses public roads, though arrangements have been made to mitigate any disruption caused.

Consultation and engagement

- 9.1 Dunedin Dancers's representative has discussed the event with relevant officers.
