NOTES: On 23 March 2015 a further application was made to the City of Edinburgh Council from the current operators and holders of the Theatre Licence to revisit the issue and on 6 May 2015 this application was refused on the basis that the proposal is contrary to Edinburgh City Local Plan Policy Hours in respect of inappropriate Uses in Residential Areas as the extension of hours is considered to be inappropriate and is likely to cause loss of residential amenity through increased noise associated with the clientele entering and leaving the premises during anti-social hours.
