Services for Communities Service Plan 2015-18

The purpose of this [Service Plan](#) is to outline key priorities within Services for Communities and to support our people to deliver on these priorities. The plan gives an overview of the diverse range of services, what we aim to achieve, information on resources, key actions around continuous improvement, and how we will achieve our objectives.

It includes:

- SfC outcomes and the services we provide to meet them;
- Key Drivers for our services including a Growing City, the Economy, Welfare Reform and Climate Change;
- Achievements against objectives for 2014-15;
- Priorities for 2015-18; and
- A Financial summary.

The Plan sets out how we are:

- Increasing recycling and reducing landfill;
- Improving street cleaning;
- Reducing carbon emissions;
- Investing in the road network; and

Managing and improving the city's transport system.
