Summary

Protocol Note for Hearing

Summary

The Council is committed to extending public involvement in the planning process. Hearings allow members of the public to put their views on planning applications direct to the Councillors on the Development Management Sub-Committee.

The Sub-Committee members have a report on the planning application which contains a summary of the comments received from the public. Copies of the letters are available for Councillors to view in the group rooms.

As agreed by the Council on 17 December 2009, ward councillors who are not members of the Development Management Sub-Committee may not participate in the pre-determination hearing.
