## Governance for the Edinburgh and South East of Scotland City Region Deal – Joint Committee

### 1. Recommendations

---

- 1.1 To agree to establish a Joint Committee under Section 57 of the Local Government (Scotland) Act 1973 with East Lothian, Fife, Midlothian, West Lothian and Scottish Borders Councils, representatives from the higher education and further education sector, and business to oversee the governance arrangements for the Edinburgh and South East of Scotland City Region Deal;
- 1.2 To approve the arrangements that will inform the proposed Minute of Agreement establishing the Joint Committee as detailed in the appendix to this report;
- 1.3 To agree that the Leader of the Council be appointed to represent the Council on the Joint Committee;
- 1.4 To delegate authority to the Chief Executive, in consultation with the Leader of the Council, to negotiate and agree the Minute of Agreement establishing the Joint Committee, in line with the principles stated in the appendix to this report, and any financial and resource contributions, if they are required;
- 1.5 To note that the Chief Executive will report to Council upon the signing of the Minute of Agreement establishing the Joint Committee;
- 1.6 To note that the Project Management Office is being enhanced as partners enter the Implementation Phase and that contributions will be sought from Councils to fund this; and
- 1.7 To note that an update will be provided to Corporate Policy and Strategy Committee in December 2017 on progress with the implementation of the Edinburgh and South East of Scotland City Region Deal.

### 2. Background

---

- 2.1 In June 2016, the six local authorities agreed to the principle of establishing a joint committee for the City Region Deal programme. Shadow delivery governance has been established, with the Leaders from the six partner local authorities providing strategic direction for the negotiations with the UK and Scottish Governments to secure agreement of the Heads of Terms in July 2017.

- 2.2 The role of the committee was highlighted as:
- Determine strategic focus;
  - Agree investment priorities;
  - Oversee planning and implementation activity; and
  - Monitor impact.
- 2.3 Although a joint committee has been meeting on a shadow basis (as the Leaders' group) since June 2016, it has not been established formally and the next steps are to establish this committee, its remit and membership.
- 2.4 The wider regional governance model to deliver the Edinburgh and South East of Scotland Deal will include:
- 2.4.1 A new cross-regional Business Leadership to bring together voices from across the private sector to play a full role across the City Regional development and delivery process;
- 2.4.2 An Executive Board comprising the six regional local authority chief executives, six regional local authority directors with a remit for the economy, plus a representative for the region's universities and colleges, and a programme management officer function. Its remit will be to support the Joint Committee in the delivery of the City Deal Programme; and
- 2.4.3 A Programme Management Office (PMO). Experience from other Scottish City Region Deals has suggested that a well-resourced and led PMO that provides a central point of contact for all parties is essential. Councils will be expected to contribute staff or financial resources to the PMO. The Executive Board has agreed that each Council will contribute up to £28,000 in 2017/18 to enhance the PMO so that it can deliver the documents required by Government before any funding is released. The level of funding will be reviewed in 2018/19.

### **3. Main report**

---

- 3.1 The Local Government (Scotland) Act 1973 gives power to local authorities to discharge their functions either by delegating power to a committee, sub-committee, officer or to another local authority in Scotland. This includes the power to appoint a joint committee made up of two or more local authorities.
- 3.2 The Joint Committee will aim to deliver increased value for money from the Edinburgh and South-East Scotland City Region Deal and wider regional collaboration and provide the appropriate oversight and strategic direction.

## **Remit**

- 3.3 The local authorities have the power to delegate which decisions they feel necessary for the joint committee to be able to progress work streams. The remit contained in the appendix provides decision making powers but would require any decision to commit funds and resources, to be undertaken by individual governing bodies rather than the joint committee. Significantly, the delegation of powers to a joint committee does not preclude the individual local authorities from still making those decisions.
- 3.4 The proposed powers are outlined in the appendix to this report.
- 3.5 Constituent Councils will be able to add further powers to the remit of the Joint Committee at a later date if this is felt necessary. Non-Council members will be able to delegate further powers to their representatives when required.

## **Membership**

- 3.6 It is proposed that the membership includes a representative from each local authority. Fife Council who have two co-leaders will have two members, although they will only have one vote between the two members.
- 3.7 The Local Government (Scotland) Act 1973 also allows the committee to contain members who are not councillors. The committee must consist of two-thirds councillors but if the committee regulates or controls the finance of the local authority or its area then only councillors are permitted to be voting members. The remit of the Joint Committee outlined in the appendix allows non-Council members to have full voting rights on an equal footing with Council members.
- 3.8 The joint committee is a local authority decision making body but the intention is to have non-Council members as full voting members of the joint committee. These members would make up three of the ten members and would include a minimum of one business representative and one higher education/further education representative.
- 3.9 It would be a decision for the higher education/further education and business member organisations whether they were content to empower their representatives on the committee to commit their organisations to the decisions made at the Joint Committee.

## **Minute of Agreement**

- 3.10 It is proposed that a minute of agreement is produced that will set out arrangements of the Joint Committee and how it will operate. These will include amongst other things the membership, voting rights, period of office, quorum and who would chair the meeting. The details laid out in the appendix to this report would form part of this minute of agreement.
- 3.11 It is proposed that the power to agree the Minute of Agreement is delegated to the Chief Executive, in consultation with the Leader of the Council, to allow for the details of the minute of agreement to be drafted in October but for there to be no

delay in the creation of the Joint Committee. The Chief Executive will report to Council upon the signing of the Minute of Agreement establishing the Joint Committee.

- 3.12 Progress with implementing the Edinburgh and South-East Scotland City Region Deal and the work of the Joint Committee will be reported to Corporate Policy and Strategy Committee on a regular basis. Engagement with the UK and Scottish Governments continues as a key element of this workstream.

#### **4. Measures of success**

---

- 4.1 That a representative, efficient and collaborative joint committee is created to take forward the Edinburgh and South-East Scotland City Region Deal.

#### **5. Financial impact**

---

- 5.1 The Programme Management Office for the Edinburgh and South East Scotland City Deal will be supported by contributions of £28,000 from the seven city region partners for the next 12 months. Costs will be reviewed thereafter.

#### **6. Risk, policy, compliance and governance impact**

---

- 6.1 The creation of the Joint Committee must comply with the requirements set out in the Local Government (Scotland) Act 1973.

#### **7. Equalities impact**

---

- 7.1 There are no equalities impacts as a result of this report.

#### **8. Sustainability impact**

---

- 8.1 There is no sustainability impact as a result of this report.

#### **9. Consultation and engagement**

---

- 9.1 The proposed arrangements for the Joint Committee have been produced with the involvement of the six local authorities and the further/higher education sector.
