

North East Locality Committee

4.00pm, Thursday 21 June 2018

2017 Edinburgh People Survey Headline Results – referral from the Corporate Policy and Strategy Committee

Item number	7.1
Report number	
Wards	All

Executive summary

On 15 May 2018, the Corporate Policy and Strategy Committee considered a report that summarised the results of the 2017 Edinburgh People Survey (EPS). In 2017, the EPS successfully surveyed a representative sample of 300 residents aged 16 and over in each council ward between September and November. The report is referred to all four Locality Committees for information.

Terms of Referral

2017 Edinburgh People Survey Headline Results

Terms of referral

- 1.1 The Corporate Policy and Strategy Committee considered a report on 15 May 2018 that summarised the results of the 2017 Edinburgh People Survey.
- 1.2 The Corporate Policy and Strategy Committee agreed:
 - 1.2.1 To note the findings of the 2017 Edinburgh People Survey.
 - 1.2.2 To note that service briefings had taken place and that services were expected to mainstream any actions taken in response to the Edinburgh People Survey findings as part of the strategic planning framework.
 - 1.2.3 To refer the findings to the four Locality Committees for information.
- 1.3 At the North East Locality Committee Agenda Planning Meeting, members indicated that they would prefer a reduced version of the report containing data relevant to the North East Locality to be presented to Committee. The North East Locality findings are attached at Appendix 1. The report to Corporate Policy and Strategy Committee, including the full version of the findings, is linked at Appendix 2.

For Decision/Action

- 2.1 The North East Locality Committee is asked to note the findings of the 2017 Edinburgh People Survey.
