ITEM No 3.3(a)

Hello, John

I'm contacting you at the suggestion of Councillors Ian Murray and Ricky Henderson.

On Thursday next (16 October) a motion goes before the full Council meeting on the subject of the future of the Heart of Midlothian War Memorial. I represent the McCrae's Battalion Trust and I will be bringing a small deputation to the meeting with a view to making a short speech in support of the proposal to maintain the Memorial in its traditional Haymarket home.

I would be grateful if you could confirm the timings. I understand that motions are heard from about 10.00 am. Is it necessary to arrive well in advance? And is there a limit on the size of group permitted to accompany me? I suspect our number will be no more than ten.

Any guidance you can offer will be welcome.

Thank you for your trouble.

Best wishes,

Jack Alexander
