Hello Carmel,

As I informed you last Friday the Edinburgh Community Representatives' Network (ECRN) wishes to have a deputation attend the City of Edinburgh Council meeting on Thursday 16th October.

We understand that one or more councillor/s will be speaking to an amendment to a Policy and Strategy/ SfC report 'Fairer Scotland Fund Progress Report' and we wish to speak to this report also. Could you please advise next step for me please?

Kindest regards

George Pitcher Chair ECRN
