Published Proposals – Currie CHS

Pressure on Currie Primary

- Pupils from the Cherrytrees area of Currie CHS would go to Balerno High from August 2019.

New South West High School

- Currie High would amalgamate with WHEC in August 2022 upon the completion of a new South West Edinburgh High. All Currie High and WHEC pupils would transfer to the new school.
- Potential sites at Curriemuirend and north of Baberton identified.
- Nether Currie, Juniper Green, Canal View and Clovenstone Primary Schools' catchment areas would go to the new South West Edinburgh School.
- Currie Primary School's catchment area would go to Balerno High following completion of South West Edinburgh High in August 2022.

Context for Change

Pressure on Currie Primary

- There is not enough space in Currie Primary so the Cherrytrees area would go to Dean Park Primary and then to Balerno High.

New South West High School

- The Currie HS and WHEC buildings ideally need to be replaced.
- Balerno HS could be refurbished and expanded.
- Scottish Government Funding criteria.
- Last 4 new high schools funded in Edinburgh are 1200 or above.
- Currie, WHEC and Balerno HS's are smaller than many other schools in the Council's estate (9 of CEC's secondary schools have capacity of 1,150 or more).
- Larger schools can provide enhanced opportunities for all pupils both within and outwith the curriculum.
- Provides an opportunity to close the attainment gap.
- Larger and newer schools cost the Council less due to reduced management and maintenance costs.
