Guidelines;

Tea and coffee service

- *Can be charged per head with no need for minimum numbers **assuming multiple catered functions happening simultaneously.***
- *If only one catered function happening, minimum number of 60 guests will apply for staffed event or 1 x flask coffee & 1 x flask hot water for self-service.*

Drinks Packages

- ***Minimum number of 60** guests will apply in most cases but can be negotiated if event also includes – cash bar, catering or other source of additional income.*
- *Drinks reception based on 1 x glass per person. Additional bottles available for top ups charged at the menu bottle price, on consumption.*
- *Drinks reception duration maximum 3 hours.*
- *Corkage charges per person include glassware, linen and staffing – no additional hidden costs.*
- *Corkage charges on 75cl wine with dinner apply only during dinner up to a maximum of ½ bottle per person served during the meal based on agreed number to be catered for.*
- *Corkage charged per bottle based on 75cl bottle still or sparkling wine. Larger bottles of wine charged accordingly. E.g. a magnum of wine would be charged at double the standard rate of bottle corkage.*
- *No spirits allowed unless sold over the bar – corkage applies to beer, still and sparkling wine only. Minimum corkage on spirit bottle (70cl) of £67.20 inc VAT will apply - only if agreed in advance.*
- *Minimum bar spend will apply for all function bars – weddings, parties, dinners. Any other bars or café requirement should be discussed in advance and the min spend either waived or lowered depending on the event.*
