## **NOTES**

- 1. If the applicant is a company then the person responsible for the day-to-day operation of the premises must be named.
- 2. A plan, drawn to 1:100 (Metric), showing all fixtures and fittings in the premises must accompany new applications, temporary applications and renewal applications, when the premises have been altered in the last 12 months.
- A certificate relating to the electrical installation of the premises, signed by a qualified electrician together with a ceiling certificate signed by a qualified engineer, must accompany this application. The ceiling of the premises should be examined at least once every five years and the electrical installations annually.
- 4. Copies of this application, and all plans and certificates must be sent to the Fire Authority and the Chief Constable; failure by you to do so will render the application incompetent.
- 5. Information supplied on this form may be held on computer and applicants are advised that in processing this application background enquiries will be made which may include reference to personal data held on computer.
