

Reference point	Estimated height mAO D		Notes
view	A1	110 G L	bend on Colinton Road, west of Wester Craiglockhart Hill
	A2	95 G L	Colinton Road, west of Easter Craiglockhart Hill; a particularly telling view of the spires for c.200m length of road
skyline	B	87	roofline of cathedral with spires rising above; a factory chimney is also seen to the left
	C	87	
backdrop	D		spires seen against open sky above cathedral roofline; open sky is significant for a width on either side equal to the height of the central spire above the roofline, i.e. c.50m
	E		

St Mary's spires looking north east from Colinton Road

View No. S3
