

**NOTICE BY DEVELOPER THAT ROAD(S) AND / OR FOOTPATH(S) ARE
SUBSTANTIALLY CONSTRUCTED AND READY FOR INSPECTION**

To be submitted only once all the roads associated with the Road Construction Consent are substantially constructed.

I/We _____

of _____

give notice that the road(s) and/or footpath(s) listed in the schedule hereto and constructed in accordance with Construction Consent No. ED / _____ / _____ are substantially constructed.

I/We request that they be formally inspected and that I/we be informed of any remedial works which may be necessary. I/We understand such remedial works as may be necessary should be completed to your satisfaction within six weeks of the date of notification of such works. If, for a specific reason, the remedial works are not undertaken within a six-month period then the development will require to be inspected again, and a revised remedial list will be provided.

I also enclose the following:

- Stage 3 Road Safety Audit along with Designers response to any issues raised.
- Maintenance methodology for any SUDS materials or infrastructure to be adopted if different from CC1 submission. This should include a plan identifying who is responsible for each asset whether adopted or private and how it is maintained.

IMPORTANT NOTE:

The road(s) will NOT be adopted unless separate application is made for adoption on Form CC6 "Application by a Developer for the Addition of Road(s) and/or Footpath(s) to the City of Edinburgh Council's List of Public Roads". This should be submitted one month prior to the end of the 12-month maintenance period.
