

Equality and Rights Impact Assessment

2015-2018 Budget Summary Report

What budget option does this ERIA information relate to?

CF17 Postpone Partner Provider Rate Increase

What are the main impacts of this option on rights?

None. Children will still be able to access their entitlement to 600 hours early learning and childcare.

What are the main impacts of this option on equality?

The funding available to parents increased from £1,500 to £2,100 this year. By limiting future increases, some families may face greater financial burden.

What are the main recommendations to address either the positive or negative impacts?

Introduction of a pilot voucher system to enable parents from other parts of the city to access subsidised childcare.

More authority nurseries will be able to offer more flexible models of early learning and childcare with less cost to the parent.

More provision will be available for 2 years olds in families in receipt of certain benefits. This is to facilitate a return to employment or training.
