## **Notes for guidance**

---

1. A fee is charged for each application for Confirmation of Completion relative to one Building Warrant (and associated Amendments to Warrant). The fee for a commercial confirmation is based on the estimated cost of the building work at the date of the application for the Confirmation of Completion. The relevant fees for both domestic and commercial applications can be found on our website [Table of Fees](#). The application should be accompanied by a cheque for the required amount made payable to the City of Edinburgh Council. No inspection will be undertaken until the required fee is received.
2. The service is limited to a maximum of two inspections. A further fee as specified in the table of fees, will be required for each additional inspection. It is, therefore, important that all the works identified following the first inspection are correctly implemented.
3. If relevant, the appropriate electrical certificate should be completed at the time of application.
4. On receipt of an application, arrangements will be made to inspect the property, following which
  - (a) A letter of Confirmation of Completion will be issued, or
  - (b) A list of items requiring action by the applicant will be issued.

In the event that a copy of the Warrant Drawings is not available either from the City Council records or from the original architect, it will not be appropriate to issue a Confirmation of Completion. However, an inspection will be carried out to ascertain the nature of the works and a letter stating the Council's position in the matter issued.

5. Dependent on the nature of the works it may be necessary for the applicant to expose areas of works for inspection.
6. Deviations from the approved plans observed during inspections will, if appropriate, be included in any Confirmation of Completion. Major variations may require to be the subject of a further Building Warrant application.
7. Further information about this service is available on our web page at the following address:  
[www.edinburgh.gov.uk/info/20140/building\\_warrants](http://www.edinburgh.gov.uk/info/20140/building_warrants) (please refer to "Work done without a building warrant and expired warrants")
