

CHANGE STRATEGY: IIA

Non Domestic Rates Appeals

High Relevance	Yes/no
The proposal has consequences for or affects people	No
The proposal has potential to make a significant impact on equality even when this only affects a relatively small number of people	No
The proposal has the potential to make a significant impact on the economy and the delivery of economic outcomes	No
The proposal is likely to have a significant environmental impact	No
Low Relevance	
The proposal has little relevance to equality	Yes
The proposal has negligible impact on the economy	Yes
The proposal has no/minimal impact on the environment	Yes
If you have identified low relevance please give a brief statement of your reasoning and report this to your Head of Service. Please then attach this paragraph to the section in the relevant management or committee report where Impact on Equality is considered.	

This proposal is to appeal the level of non-domestic rates liability on properties where it is considered that the current rate is too high. This will have no impact on the services being delivered from these buildings or on service users.
