

## Energy Efficient Street Lighting Programme Heritage Lanterns

If you live in a heritage area with heritage lanterns, don't worry we will replace these lights as soon as we can – there's been a bit of a delay in the replacement heritage lanterns arriving. If you have lanterns that look like one of these images then the lantern will be replaced like-for-like, see images below.

**Charlotte Square Lantern**

**Market Street Lantern**

**Victorian Gas Replica Lantern**

**Gallery Lantern**
