Not Answered

Explain why you support that option, or why haven't chosen an option:

12B Do you support or object to any of the proposed greenfield areas? (Please tick all that apply)

Support Greenfield - Support: West Edinburgh

Support Greenfield - Object:

Explain why:

Murray Estates support the allocation of land on the West Edinburgh site for residential led development. In response to Q12C, we have submitted a plan which shows the boundary of land within the potential allocation, at its western end. This land is owned by the City of Edinburgh Council, and Murray Estates have a contractual interest in it. Murray Estates are liaising with Taylor Wimpey on the emerging masterplan for the whole area and the Murray Estates land interest within that.

12C Do you have a greenfield site you wish us to consider in the proposed Plan?
