Choice 12 BX

Do you support or object to any of the proposed greenfield areas? (Please tick all that apply) - Explain why

Short ResponseNot answeredExplanationAt Liberton After School Club our setting revolves around outdoor play. We have worked really hard to get the balance right between indoor structured play
and outdoor activites. We feel that it is vital to go back to basics and let children use their imagination to play, to discover, to invent and to recognise risks
and hazzards. If the green space in Inch Park is taken to build even more houses in South Edinburgh all of these opportunities to play and learn vital life skills
will be lost.SCOTLANDS PLAY STRATEGY VISIONWe want Scotland to be the best place to grow up. A nation which values play as alife-enhancing daily
experience for all our children and young people, in their homes,nurseries, schools and communities.PRINCIPLESIn the home, at nursery and school, and
in every community:» We should value all children and young people We should enable all children and young people to realise their right to play» All
children and young people should have space and time to play(The 'Sufficiency' Principle)
