

***Q5. What would you say are the most important benefits of retaining 'Spaces for People' measures in place, in relation to the organisation you represent or its members? – Other***

None of the measures above have improved matters. In fact they have made it worse.

***Q6. What would you say are the most important disadvantages of retaining 'Spaces for People' measures in place, in relation to the organisation you represent or its members? – Other***

As person with mobility issues but not the holder of a blue badge it is at present almost impossible for me to shop locally due to all the obstructions on the road and withdrawal of parking spaces.

***Q10. If you wish to make a comment about measures you would like to see removed you may do so here:***

They are dangerous; difficult to see in the dark; unsightly and have no place in a world heritage site.
