Your information and data

You are providing a formal statutory representation to a local development plan - 'Proposed City Plan 2030'.

Representations to the Proposed Plan will be published on the Council website and in summary form on the Scottish Government's LDP website at examination stage.

Your names and contact details are required to keep you informed of the next stage of the LDP process as required under Section 18 of the Planning (Scotland) Act 2006.

How has City Plan 2030 been prepared?

City Plan 2030 has been prepared following responses to the Choices Main Issues Report published in 2020. It takes account of national, regional and local strategy and policy.

Further information on the process of preparing a development plan is available on the [Scottish Government's website](#).
