

## **Collection and Disposal of Waste from Charities**

Waste and Cleansing Services collects waste from charities but requires that as a minimum waste is segregated to allow recycling of dry mixed recyclate (paper and card; cans, tins and clean foil; and clean plastic bottles, pots, tubs and trays); glass (where produced); food waste (from food premises).

Where practicable we will provide the following services; where the location or design of the building prevents us from providing these services, it will be the sole responsibility of the person(s) responsible for the facility to put in place a commercial waste collection.

The following COLLECTION services are available free of charge:

240 litres non-recyclable waste per fortnight

360 litres mixed recycling per fortnight (paper and card; cans, tins and clean foil; and clean plastic bottles, pots, tubs and trays)

Two glass boxes per fortnight

Two food collection boxes per week

Where multiple properties exist as separate addresses on the same site, e.g. a charity headquarters and a separate charity shop, each is entitled to its own collection (however any office which is simply part of the shop would not be covered by this).

Where the quantity of waste presented cannot be accommodated within the provision outlined above, you should in the first instance discuss this with the Waste and Cleansing Service who may be able to advise you of ways to reduce your waste.

Any additional requirement will normally be treated as commercial waste and a commercial waste contract must be put in place to manage this.
