Subject: Blackhall nursery community asset transfer - support

To whom it may concern,

As a resident of Blackhall, I would like to support the request by Blackhall Community Trust to take ownership of the land and building indicated by the redline boundary plan.

My daughter benefited from this fantastic nursery and I strongly believe Blackhall needs a good quality nursery and am grateful for the steps the Trust is taking to make that a continuing reality. The current nursery is unfortunately increasingly unfit for practice.

I also like the idea of the space being used for other community ventures for all sections of the community.

Yours faithfully

Francesca Morton
