Literacy and English Writing Instructions - Help to inform the public and keep them safe. Write instructions for washing your hands properly. Use the sheet provided. Maybe you could make your instructions into a poster for public areas in your school or for in your home!	Numeracy and Mathematics Using coins - Ask your child to choose an item from home with a price shown on the item (e.g. from a pizza menu, food packaging or newspaper, etc.). Ask your child to record the coins or notes that could be used to pay exactly for this item. Can they make up a different combination for the same total?	Social Studies Scottish Farming - Create a poster to show the different foods that grow on a farm.
Literacy and English Characters - Draw a character from a book you have read, describe them by labelling them with good adjectives (describing words).	 Problem Solving Questions to solve - 1) On St. Patrick's Day, Seán ate 15 sweets. Later that day he ate 17 more sweets. How many did he eat altogether? 2) 14 birds were sitting in a tree. 21 more birds flew up to the tree. How many birds were there altogether in the tree? 3) Beth has 74 crayons. She gives 25 of them away to Ciara. How many crayons does Beth have left? 	Health and Wellbeing Magic Exercises - Discuss the importance of exercise and a healthy body. Think of some exercises to do. Put the exercises together to make a simple routine. See if you can repeat them several times

Washing Your Hands

Contingency Learning Primary 3 Week 5

Thinking and Talking about My Learning - P3 & P4 & P5

Thinking about how you learn can help you learn more effectively.

At the end of a day of learning you might like to choose a row (A or B) and roll a die to select 2 or 3 questions to think about.

You can think about them by yourself or, even better, discuss them with someone else.

	1	2	3	4	5	6
A	Were there any tasks	Did I make a good	Did I get stuck?	Did I try going back to a	Did I find it easy to stay	How can I make sure I
	today that I found too	guess about how long		tricky task later?	on task today?	remember what I
	easy?	each task would take?	Did I give up or try a			learned?
			different way?	Did that make a	What helped?	
	Why?			difference?		
			What did I try?		What didn't help?	
	Could I have added my					
	own challenge?					
В	Which tasks were	Which tasks had new	Were there any tasks	Did any of yesterday's	Did I choose the order	Can I think of ways to
	practice of something I	learning in them?	today that I found too	tasks make more sense	of my tasks?	improve my motivation
	already know?		difficult?	today now that my		for tomorrow?
		What did I learn?		brain has had time	Did I start with the	
			What made it difficult?	away from it?	easiest task, or the	
					hardest, or the most	
			Did I give up straight		interesting or the most	
			away or keep trying?		fun?
