# **Digital Resources for Learners**

### **Empowered Learning Digital Skills Videos**

Improve your digital skills by working through these online courses:

Getting Started with your iPad
Personalising your iPad to support your learning
Creating and Editing Photos on your iPad
Creating and Editing Movies on your iPad
Workflow and your iPad

#### **ClickView**

ClickView provides access to a wide range of video-based learning resources.

Sign in to the ClickView app on your iPad using your school email address (1234567@ea.edin.sch.uk) and password or via a browser at: online.clickview.co.uk.

Watch this video if you need help signing in: <a href="https://clickv.ie/w/oFiu">https://clickv.ie/w/oFiu</a>

**West OS** is an online school, created by teachers, providing recorded learning experiences for children and young people.

It can be accessed through ClickView using the link below.

https://online.clickview.co.uk/libraries/34760024/west-os/categories

The Microsoft Student Centre includes ideas, activities and guides on how to use the Microsoft 365 tools to support your learning.

## **Digital Resources for Learners**

#### **Creative Activities on your iPad**

Try these creative activities to help you enhance your digital skills and explore new ways to show your learning.

30 Creative Activities for Kids (apple.com)

30 More Creative Activities for Kids (apple.com)

### **Coding**

Empowered Learning iPads have a number of different apps for learning to code.

**Swift Playgrounds** is a great starting point - download it from the Self Service app on your Empowered Learning iPad.

Try these 10 activities in A Quick Start to Code.

## **Augmented Reality**

Try these augmented reality activities using **AR Makr** and **Reality Composer** on Empowered Learning iPads.

<u>Augmented Reality Activities for Kids</u>

Activities 4, 5, 9, 11 and 12 can be completed on Empowered Learning iPads.

#### e-Sgoil

e-Sgoil is a nationwide community for online teaching and learning. It provides a range of live and recorded content. NB: some content is freely available, but in some cases, learners will need a Glow account, which can be provided by your school.

Find out more here: <a href="https://www.e-sgoil.com/">https://www.e-sgoil.com/</a>
