How to use this booklet

Please note that a small number of road closures in Zone 1 will begin on Friday 23rd May. The areas affected by road closures and parking restrictions have been divided into 8 zones. Please look at the map below and select which zone you live in. The information box relating to that zone will give you a summary of:

- The earliest time for any road closure and parking restriction in that zone.
- The latest time for any road closure and parking restriction in that zone.
- Which page to find full details about road closures and parking restrictions in your zone.

If you live near a zone boundary, please check both zones that affect you. Road Closures means that you will not be able to access and drive on the road stated. Parking restrictions mean that you will not be able to park on the road stated. It does not necessarily mean that the road will be closed.

Ashgrove/Linkfield Road Residents Instructions

Access to Beulah, Woodside Gardens, Windsor Gardens, Linkfield Court and Craighall Terrace via Linkfield Road will only be possible before 08:00 and after 19:30 via Ashgrove. We are unable to allow vehicular traffic on Linkfield Road during the race due to public safety concerns.

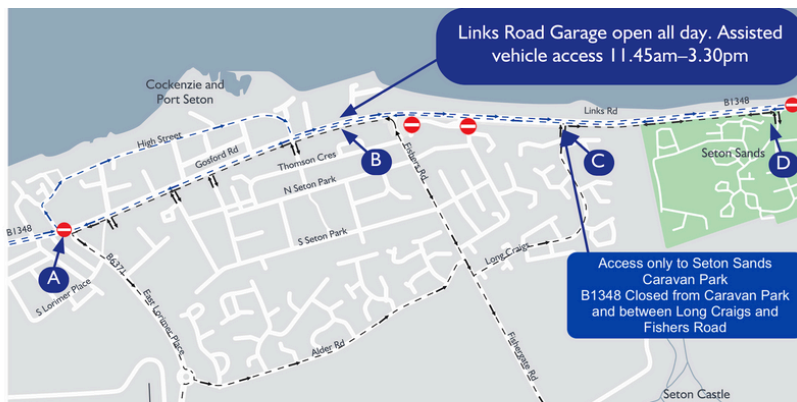

If you wish to use your vehicle between 08:00 and 19:30 then please park on Ashgrove and exit via Pinkie Road. You should expect a higher than normal volume of traffic on Pinkie Road so please add extra time to your journey. Please display your Resident Vehicle Pass clearly in your vehicle to park and gain access to Ashgrove throughout the closure period.

Millhill Residents Instructions

Access and egress is maintained in this area however we would ask for those driving alongside the running lane to please take extra care when doing so. There will be runners in the area from 08:30 until 13:30.

Cockenzie/Port Seton residents and vehicle access

In the Cockenzie and Port Seton area there are a number of special measures in place to minimise disruption to traffic.

Vehicle movement along B1348 (Links Road) is maintained westbound between Fishers Road and East Lorimer Place (B) for the duration of the event. There is access to the Links Road Garage (B) until 11:45 when the first runners will be passing. Between 11:45 and 15:30 where runners are on the route in the area, access to the Links Road Garage will be limited but can be provided by race stewards if/when gaps in the runners allow.

East and Westbound traffic is permitted under temporary traffic lights between Long Craigs (C) and Seton Sands Caravan Park (D) for the duration of the day. The B1348 (Links Road) is closed entirely east of the entrance with Seton Sands Caravan Park and between Long Craigs and Fishers Road.

For residents in the Cockenzie High Street area egress from the restricted streets will be permitted up until 10:00 by travelling eastbound along Cockenzie High Street and exiting onto Seton Place. At 10:00 the roads will close to all traffic. Please be aware that the High Street and Harbour will have a parking prohibition from 22:00 on Saturday the 24th. The B1348 will be closed in both directions west of East Lorimer Place (A) and eastbound between Seton Place and East Lorimer Place.
