- The post requires some lone working and supporting staff, and the requirement and expectation is that you follow the lone working guidance as detailed within your work environment and to ensure your own personal safety.
- The post will be exposed to some physical demands these will be predominantly within the range of normal office-based activities but do include regular data input into computerised case files and other databases.
- The post may be exposed to some adverse working conditions these will be predominantly within the range of normal office-based activities and you may be asked to work in a hospital or care home environment and to visit people in their own homes.

SUPERVISION AND MANAGEMENT OF PEOPLE (NUMBERS AND TYPE OF STAFF)

- The post will supervise and manage a mixture of social workers (grade 7) and community care assistants (grade 5), up to 8 FTE
- The post will supervise any agency staff employed within the team
- The post will be responsible for monitoring the relevant staffing budget
- The post will be responsible for recruitment of relevant staff into the team and will work collaboratively with other seniors to achieve this
- The post will be responsible for all line management of the staff including regular 1-1 supervision, team meetings, annual conversation, performance improvement, absence management and undertaking disciplinary investigations when required

RESOURCES

- The post is responsible for the effective and efficient allocation of work to staff members

- The post will be responsible for authorising payments and allocation of resources to people in need within agreed departmental limits
- The post will be responsible, along with other seniors for oversight of office funds
- The post will participate in discussions where resources are being allocated, make recommendation regarding increases in care provision and consider request for emergency care.
- The post will represent the social work service on planning and management boards and will deputise for more senior managers as appropriate
- The post will be responsible for a range of office equipment and will update and maintain data

HEALTH AND SAFETY (DO NOT ALTER THE WORDING OF THIS SECTION)

Protecting the health and safety and welfare of our employees, and our third parties including members of the public, contractors, service users and pupils, is the starting point for a forward-thinking Council.

All employees are responsible for:

- Taking care of their own health and safety and welfare, and that of others who may be affected by their actions or omissions;
- Co-operating with management and following instructions, safe systems and procedures;
- Reporting any hazards, damage or defects immediately to their line manager; and
- Reporting any personal injury and work related ill health, and accident or incident (including 'near misses') immediately to their line manager, and assist with any subsequent investigation, including co-operating fully with the provision of witness statements and any other evidence that may be required.

Line managers have additional responsibilities for ensuring all health and safety risks under their management are identified, assessed and controlled, with specialist input from H&S Advisers and others including Occupational Health where required. Where the risks cannot be adequately controlled the activity should not proceed.

Additional information can be found in the [Council Health and Safety Policy](#).
