

Planning Applications within Edinburgh

WEEKLY PLANNING BULLETIN

Date: **4 August 2025**

The Weekly Planning Bulletin is organised by ward. Under each ward you will find the following sections:-

- Section 1 – Recently registered planning applications;
- Section 2 – Proposal of Application Notices received;
- Section 3 – Proposals for tree work in conservation areas;
- Section 4 – Proposals for tree works where there is a Tree Preservation Order;
- Section 5 – Prior Notification of Telecommunications.
- Section 6 – Certificate of Lawfulness Existing.
- Section 7 – Certificate of Lawfulness Proposed.

If there are no applications or notices in a ward, the space underneath will be blank.

Section 8 at the end of the document contains consultations from other planning authorities.

Planning decisions are on a separate document.

[Ward B17 – Portobello/Craigmillar](#)

Where can I see the documents?

You can view the plans, forms and other documents at [Planning and Building Standards Online Services](#).

What Can I Comment on?

Under statutory legislation, you should only make comments to the City of Edinburgh Council on those applications appearing in Section 1 – recently registered planning applications.

Planning is about the development and use of land and buildings so any comments made on applications should be relevant to this. These are called 'material considerations'. If you submit comments which are non-material they will not be taken into account. This can be difficult to understand so we have given you some examples below. It should be noted that the legislation governing the control of advertisements does not include any provision for a period for representations to be submitted. Therefore, the Planning service may determine an application for advertisement consent prior to the date set out in this list

EXAMPLES

	Material		Non-Material
q	Contrary to the Development Plan (National Planning Framework 4 and Edinburgh Local Development Plan (City Plan 2030)).	q	Devaluation of property
q	Appearance (design, materials, scale, etc.)	q	Loss of private view
q	Residential amenity e.g. noise, overshadowing	q	Business issues relating to the applicant
q	Traffic, parking or access problems	q	Possible fire hazard

Comments on Section 2 proposals (Proposal of Application Notices) should be made directly to the applicant. There is no provision for the public to make comments on tree work and prior notifications and these details are for information only. This also applies to certificates of lawfulness where decisions are taken on the facts of the case in relation to planning law and public comments cannot be taken into account.

How Can I Comment?

Comments could be made online at [Planning and Building Standards Online Services](#).

The quickest and most secure way to make a comment is to use the Online Services. If you fill in your email address we can email you the decision on the application.

Your comments must be received within 21 days of the date of registration, neighbour notification or advertisement in the press, whichever is later. These periods are extended for public holidays. The Comments Due by Date appears in the bulletin although we cannot always guarantee it will include additional days for public holidays.

Anonymous comments will not be taken into account and we need your name and address as your representation will become part of the application record, which is a public document. **The comments you make will be made publicly available to view on the Council website.** Any comments that are racist will not be accepted and may be sent to the police for further investigation. Further advice on commenting on planning applications can be found on the Council website.

What Happens to my Comments?

You will receive an acknowledgement of your representation. You will also be informed of the decision.

Further detail on how to comment on planning proposals and how your comments are handled is available on our [Website](#). Our Published Privacy Notice is available here [Privacy Notice](#).

Most applications are processed by delegated decision whereby planning officers decide applications under a publicly accountable process. If, however, there are more than 20 material representations and these take an opposing view from the recommendation, then the application will be decided by the Development Management Sub-Committee.

Full details on the Schemes of Delegation are available on the [Council website](#).

Any Questions?

Email the Planning Help Desk at planning@edinburgh.gov.uk.

Ward No. B01 – Almond

1. Planning Applications

	<p>Works: Installation of a new pedestrian gate in the north-west corner of the school site, to match the existing steel gate on the north boundary.
