### History and Description of the School:

The original Victorian building, which dates from 1893, was extended in 1965. A further extension and major refurbishment were completed in 1995 at a cost of £6.5 million. This produced a "one-site school" which is very well equipped to serve the pupils of the area in the 21st century

The playing fields and changing rooms are at Bangholm, less than five minutes' walk from the school. This facility was upgraded in 2008, and pupils can now enjoy physical education in a modern, high-quality environment.

At Trinity, we are focused on developing the whole child and providing many opportunities for young people to achieve success. We have good links with our local Primary Schools and work closely with their staff to ensure that the transition to secondary school is as effective as possible. Through high quality learning and teaching from our committed and caring staff we provide a supportive and challenging educational experience. We have a strong record of academic achievement and provide a wide curriculum to meet the range of pupils' needs while

our program of extra-curricular activities, excursions and other activities enhance learning and develop a range of life skills.

The school is outward looking, having established excellent links with the community and local business. Vocational preparation remains a high priority, and we are one of the few schools in Edinburgh to provide work experience for all S4, S5 and S6 pupils.

Trinity Academy is a school at the heart of the local community with high expectations and aspirations. We are committed to ensuring that our pupils are challenged, successful and happy.

### **Accommodation and Facilities:**

A £6.5 million building and refurbishment program which culminated in a 'one-site school' was completed in August 1995. The school will undertake another renovation, which began in summer 2024. Currently the school consists of the following:

A Science / Home Economics block

A Craft Design Technology block

A Music department with 3 large teaching areas and several instructors' rooms

Classrooms for Business Education, Computing, Modern Languages, Social Subjects, English, Mathematics, Art & Design, RME and Learning Support.

Playing fields and changing facilities are at Bangholm, less than five minutes' walk from the school. The new site at Bangholm was completed in August 2022, this includes a Fitness Suite, Dance Studio, Large and Small gymnasias and many outdoor spaces.
