Planning permission granted for Cables Wynd House and Linksview House

Dear Resident,

We're pleased to let you know that planning permission and listed building consent was granted on 1 October for the plans to refurbish Cables Wynd House and Linksview House.

We sent you a newsletter in August which explained how the refurbishment plans for the buildings will make your home safer, warmer and more comfortable places to live and make sure they meet the Energy Efficient Standard for Social Housing (EESH2).

You can find a copy of the August newsletter on our website in the 'newsletters and events' section at www.edinburgh.gov.uk/cableswynd-linksview

Next steps

Visualisation of proposals
to Linksview House

- Winter 2025, final stage of design.
- Early 2026, complete pre-construction coordination with main contractor.

Please keep an eye out for newsletters delivered through your door and we'll advertise future events and information sessions on the noticeboards and on our web pages at www.edinburgh.gov.uk/cableswynd-linksview.

Once the new Tenant Liaison officer is appointed later this year, they'll reach out to you - please keep an eye out for communication from them.

If you would like the leaflet in another language or format such as Braille or large print, please email HRMI@edinburgh.gov.uk with your request. Our ITS service can also give information on community language translations.
