| Yes, I consent to being contacted about this consultation                                                                                                            | 2  |
| Question 2: Are you responding as an individual or on behalf of an organisation?                                                                                     | 2  |
| Response type                                                                                                                                                        | 2  |
| If you are responding on behalf of your organisation, please tell us its name                                                                                        | 2  |
| Question 3: Do you consider yourself to be a resident of Drylaw?                                                                                                     | 2  |
| Resident                                                                                                                                                             | 2  |
| Question 4: How often do you tend to visit the Drylaw shopping centre?                                                                                               | 3  |
| Visits                                                                                                                                                               | 3  |
| Question 5: To what extent do you agree or disagree that these proposals will make the eastern entry a more inviting place?                                          | 3  |
| Question 1                                                                                                                                                           | 3  |
| Do you think there are any other changes required to make the eastern entry a more inviting place? (Please use the box below for your answer and any other comments) | 4  |
| Question 6: To what extent do you agree or disagree that these proposals will help to reduce vehicle speed and improve safety?                                       | 4  |
| Question 2                                                                                                                                                           | 4  |
| Do you think there are any other changes required to help reduce vehicle speed and improve safety? (Please use the box below for your answer and any other comments) | 4  |
| Question 7: To what extent do you agree or disagree that these proposals will help to improve the car parking situation?                                             | 5  |
| Question 3                                                                                                                                                           | 5  |
| Text box                                                                                                                                                             | 5  |
| Question 8: To what extent do you agree or disagree that these measures will provide a safer and more welcoming pedestrian route?                                    | 5  |
| Question 4                                                                                                                                                           | 5  |
| Text box                                                                                                                                                             | 6  |
| Question 9: To what extent do you agree or disagree that this will help to encourage more cyclists to come to the shopping centre?                                   | 6  |
| Question 5                                                                                                                                                           | 6  |
| Text box                                                                                                                                                             | 6  |
| Question 10: To what extent do you agree or disagree that this is required?                                                                                          | 7  |
| Question 5                                                                                                                                                           | 7  |
| Text box                                                                                                                                                             | 7  |
| Question 11: To what extent do you agree or disagree that this is required?                                                                                          | 7  |
| Question 6                                                                                                                                                           | 7  |
| Text box                                                                                                                                                             | 8  |
| Question 12: To what extent do you agree or disagree that this will create a more welcoming atmosphere?                                                              | 8  |
| Question 7                                                                                                                                                           | 8  |
| Text box                                                                                                                                                             | 8  |
| Question 13: Which of the proposed measures do you think is the highest priority?                                                                                    | 9  |
| Question 9                                                                                                                                                           | 9  |
| Text box                                                                                                                                                             | 9  |
| Question 14: Which of the following would you like to see more of within the proposed design?                                                                        | 10 |
| Question 10                                                                                                                                                          | 10 |
| Text box                                                                                                                                                             | 10 |
| Question 15: Do you have any further comments? (Please write in the box below)                                                                                       | 10 |
| Text box                                                                                                                                                             | 10 |
| Question 16: To what extent do you agree or disagree with the following statements about this engagement exercise?                                                   | 11 |
| Accessibility - I was given all the information that I needed to have my say.                                                                                        | 11 |
| Accessibility - This engagement exercise was clear and easy to understand.                                                                                           | 11 |

Accessibility - I was given the opportunity to have my say.

## Question 13: Which of the proposed measures do you think is the highest priority?

### Question 9

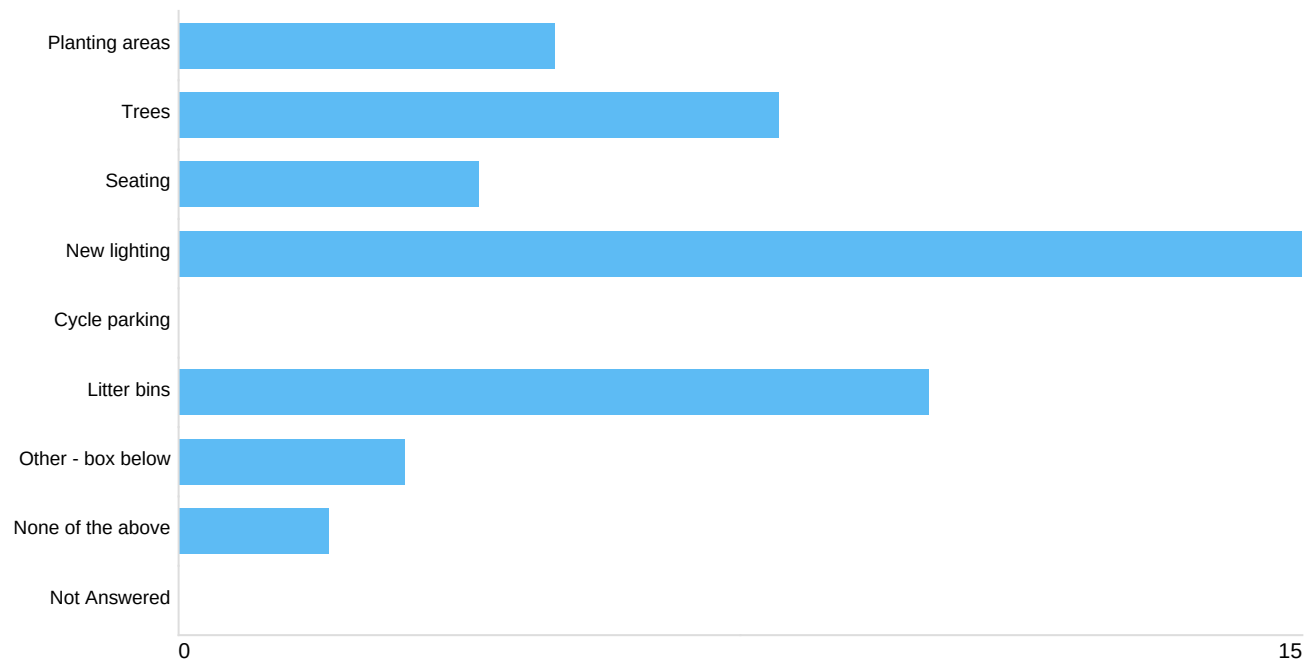

| Option                                                                                                                                                                            | Total | Percent |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|---------|
| Upgrade eastern entrance with a larger pavement, planting beds, tree planting and seating areas.                                                                                  | 6     | 12.77%  |
| Narrower looking roadway at the eastern entrance, to encourage vehicles to slow down, resurface the pedestrian crossing so that the raised table has a steeper ramp for vehicles. | 2     | 4.26%   |
| Change the car parking layout, with clearer road markings, allowing for larger parking spaces, dedicated parking for blue badge holders and clearer 'no parking' zones.           | 15    | 31.91%  |
| Upgrade the central entrance with new steps, planting beds, tree planting and a seating area.                                                                                     | 5     | 10.64%  |
| Increase and improve cycle parking spaces across the site.                                                                                                                        | 0     | 0.00%   |
| Change the recycling facilities to create a more orderly and clean area.                                                                                                          | 1     | 2.13%   |
| Upgrade the southern entrance with a new informal crossing point, clear car parking bays, community artwork, street trees and better lighting.                                    | 6     | 12.77%  |
| Upgrade the central walk with planting, seating areas and cycle parking.                                                                                                          | 1     | 2.13%   |
| None                                                                                                                                                                              | 4     | 8.51%   |
