PART 2 – EVIDENCE OF ENTITLEMENT TO WORK IN THE UK

The Council is under a legal duty to check that any applicant for a taxi or private hire car driver licence is not disqualified due to their immigration status from holding such a licence. A licence cannot be granted without these checks being completed.

All applicants for new and renewal taxi or private hire car driver licences are required to produce original documents demonstrating that they have the right to work in the UK.

Licensing staff must check the validity of the original documents in the presence of the applicant before the application can be processed and a licence issued at a later date.

To make application you must attend in person to have these documents checked by a licensing officer at:

The Licensing Hub
33 Murrayburn Road
Edinburgh
EH14 2TF

The following documents should be provided when you attend the licensing hub:

- If you are a British citizen, you should provide your current passport. If you do not have a passport, you should provide **original documents** from List A on the attached 'Right to Work checklist' of acceptable documents.
- If you are not a British citizen, you must provide a share code or **original documents** from List B on the attached 'Right to Work checklist' of acceptable documents.

You must produce original documents which will be checked in your presence by licensing staff, copied and returned to you.

PART 3 – HMRC TAX CHECK

From 2 October 2023, the government has introduced tax requirements for applications for certain licences in Scotland. This is supported by a new digital service, being developed by HMRC. It helps people in the taxi and private hire industries to complete a tax check

In Scotland this means that anyone (Individuals, companies, and any type of partnership) applying for or renewal of

- taxi driver licence
- private hire car driver licence
- booking office licence

On or after 2 Oct 2023, must complete a tax check with HM Revenue and Customs (HMRC) before applying for the licence.

applicants must also complete a tax check if applying for:

- the same type of licence already held with another licensing authority.
- the same type of licence previously held, that stopped being valid less than a year ago

Applicants who are new to licensing or have been out of the 'trade' for more than 12 months, do not need to carry out a tax check. However, they must confirm as part of their application, that they are registering for tax, have read and understood the [HMRC Tax Responsibilities](#) and are aware of their tax obligations. The links below provide more Information about your tax registration obligations:

<https://www.gov.uk/register-for-self-assessment>

<https://www.gov.uk/corporation-tax>

<https://www.gov.uk/income-tax/how-you-pay-income-tax>

Applicants must do the check themselves and will receive a 9-character code which must be given to the licensing team along with a fully completed application form when attending the Licensing Hub for your face to face document checks

The tax check should only take a few minutes to complete and there is guidance on [GOV.UK](#) to help you complete the check. Anyone who needs extra support will be able to complete the tax check by phone through HMRC's customer helpline.

HMRC have produced a [tax check factsheet](#) which will help you understand what is required for new or renewal applications

For the avoidance of doubt, Edinburgh City Council do not receive any of your tax information, only confirmation that you have completed the relevant check

PART 4 – PREVIOUS LICENCES HELD

Please provide details of any previous Taxi driver, Private Hire Car driver and any other licences you have held with this or any other local authority as well as any other licences you may have had.

You should also provide details of any licences that have been refused or suspended. If you have applied for and been refused a licence for a private hire car driver or taxi driver licence by the City of Edinburgh Council within the past 12 months, you cannot apply for the same kind of licence within one year of the date of refusal, unless there has been a material change in circumstances.

Your paper driving licence and/or photo card driving licence must also show your current home address. All the information requested from your driving licence must be entered onto the application form.

Changes to the DVLA photo card and paper driving licences mean that they no longer provide an accurate account of driving endorsements you may have. PROCESSING YOUR APPLICATION

When your application is submitted together with the relevant fee, all required documentation, checked and validated, a copy of your application will be sent to Police Scotland who will carry out their own investigations before reporting back to the licensing Section.

The Civic Government (Scotland) Act 1982 prohibits the Council from making a decision on your application until a minimum of 28 days has passed from the date a valid application is submitted. During this time any person can object to your application.

The majority of applications with no representations or objections will take 4-6 weeks to process, however applications that are to be considered by the Licensing Sub-Committee will take longer to determine. The Council has a maximum of 6 months from the date a valid application is submitted within which to make its decision.

If an objection or representation is received in relation to your application you will be sent a copy of the representation or objection. Your application and any letter of objection or representation will then be referred to the next available Licensing Sub-Committee for consideration. You will be written to and invited to attend the meeting and given an opportunity to address the committee before a decision is made.

CONDITIONS OF LICENCE

The current Taxi and Private Hire Car Conditions for drivers is available from our web site and a copy will be issued to you with any new licence granted. REGISTER OF APPLICATIONS

The City of Edinburgh Council will keep a register of applications in which it will enter the date of receipt, the name and address of the applicant, the decision, the issue date and duration of the licence, and a note of any suspension, or surrender of the licence. This information is available for inspection by any member of the public
