

STATEMENT OF REASONS THE CITY OF EDINBURGH COUNCIL

LANG LOAN, EDINBURGH – **TRO/25/26**

Extended phases of new housing developments have been constructed in the Liberton / Gilmerton area of Ward 16. Pedestrian, cycle and vehicle access is required on stretches of road previously considered more rural in nature. As such, a continuous review of existing speed limits has been undertaken, and it has been decided for the safety of road users, to reduce the speed limit on the west section of Lang Loan from the housing development to the junction with Burdiehouse Road.
