HAPPY TO TRANSLATE

THE FUTURE OF... THE MOREDUN MULTIS

Anderson Bell + Christie have been commissioned by Edinburgh Council in the design of holistic improvements to the Moredunvale Multi's.

We are here to gather information about the tenants experience of living in the Multi's.

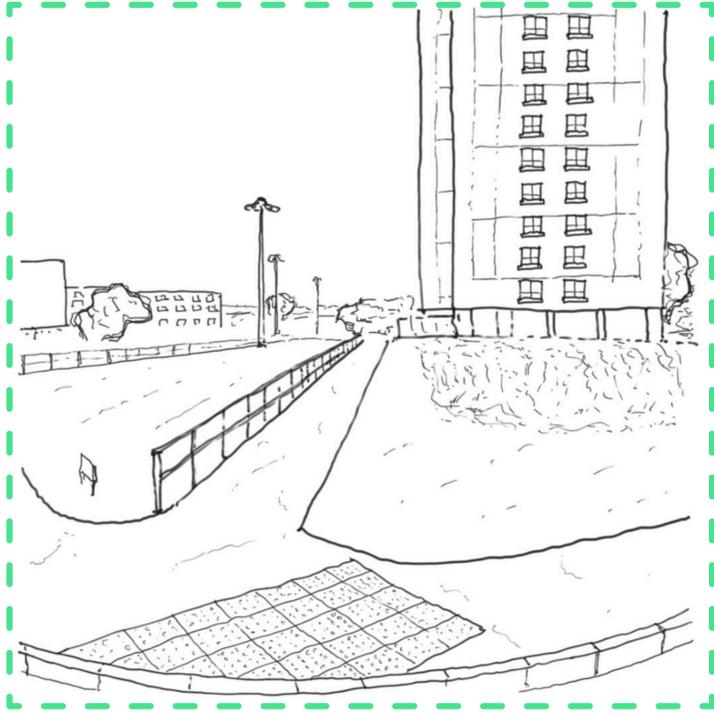

Please write down any thoughts you would like to share on post-it notes and add them to the boards or come and speak to one of us.

-  Castlevie House
-  Little France House
-  Marytree House
-  Moredun House
-  Moncrieffe House

The Journey

Please describe the journey to your flat using post-it notes on the drawings below. What is the overall experience like? What works and what doesn't work? What do you like and dislike about it?

The Future of... The Footpath

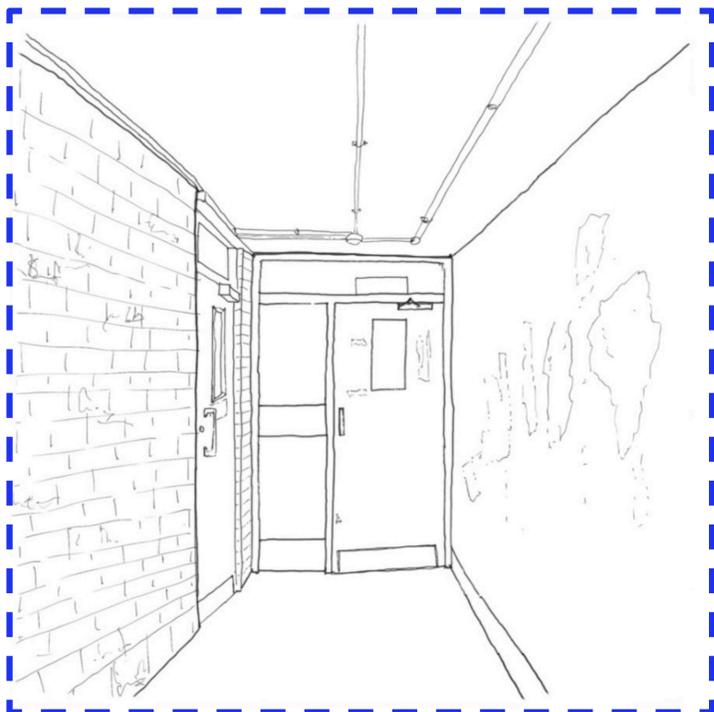

The Future of the... Block Entrance

The Future of... The Ground Floor Lobby

The Future of the... Stairwell

The Future of the.. Upper Floor Lobby

The Future of your... Flat Entrance

The Journey

ease describe the journey to your flat using possible drawings below. What works and what doesn't? What overall experience like? What works and what doesn't? What do you like and dislike

Good size flat
But cold.
Plats better

More for
kids to
do around
blocks (Moncreiff)

Plats are cold.

MORE APPOINTMENT
SPACE / COMMUNITY
AT MONCREIFF
(BENCHES, GYM etc.)

Too much light and
noise

MAINTAIN SERVICE
BIKE STORAGE
PROVISION

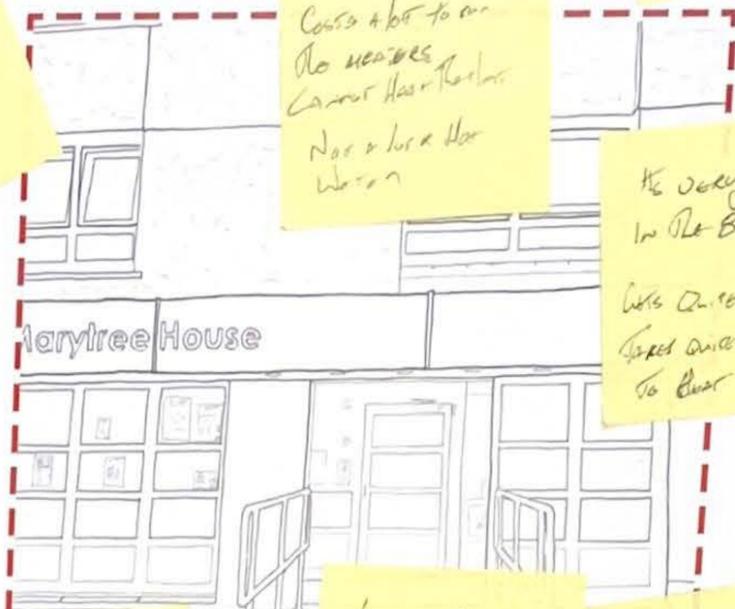

\$120 per month, clearing
Corridors - use stairs
Waste bags
Can't hear flat
Waste house
Storage house door open

Costs a lot to run
No heaters
Can't hear flat
Noise & light & heat
Water

The noisy house
in the block
Waste house and
storage house - while
to clear up

Future of... The Footpath

Marytree House

Drying
Areas
Externally

Lighting out side
to shed outside

Kids in the stairs
Heaters with people
in the block

ventilating
Double door
Air lock

Fix the
Security
Alarm System

People would use
more outdoor
green space

Heaters are good
and not too noisy
Very secure
Very security
Visitors are security

Noisy in
GROUND
FLOOR
FLAT

Heater
Give a new
own case
Very noisy sound

exposure to heat when
New ladders
Down the
floor

Security -
Hard to hear

High levels of wind
Can blow you
over

Balcony - Poor insulation
of a hot flat

Need a Refresh

The Future of... The Ground Floor Lobby

Cleanliness
Cleaning / not
Drying to be here

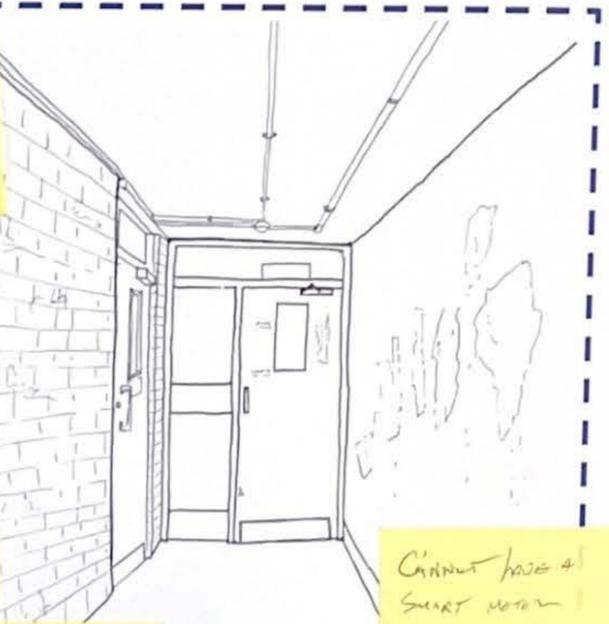

Noise Transfer Between
Flats.
Can't tell what noise is
coming from.

FOREVIOT
FLOOR 8 -
BIN CHUTE
FELL OUT &
HURT RESIDENT NOT
+ Not enough
- Drinker contained
would help

Paint / Floorings
IN STAIRS
(MAKE IT
BRIGHTER)

Just hear the
Living Room
Flat Heating is very
responsive
Noise to me to be
heard

Lack of drying
Areas for clothes

CCTV works well
good for security

HARD TO HEAT
- NEED TO PUT
STORAGE HEATERS
ON FOR A
LONG TIME + USE
HEAT QUICKLY

Drainage / Flooding

Waste pipe clean
flow

Access caused in
flats - cannot
close windows

Pooling resources
The bins because
cannot get out.
Has access to car
Discards or recycle
binning.

Cannot have a
Smart meter
Grace with
The energy company
you have
SSG

FRESHEN UP
COMMUNAL
AREAS

NOISE TRANSFER
BETWEEN FLATS /
UP THROUGH
FLOORS.

CANT PUT
IN SMART METER
/ CANT CHANGE
