

The City of Edinburgh Council (Fountainbridge Area, Edinburgh) (Redetermination of Means of Exercise of Public Right of Passage) Order 2026 - RSO/22/13

As part of the proposed changes to Fountainbridge and surrounding streets, several traffic related orders are required to take account of the changing circumstances within the streets. Such changes include new controlled pedestrian crossings, new cycle lanes, revised layouts and new continuous footways. These changes on Fountainbridge and surrounding streets will create safer pedestrian and cycling facilities, additional controlled crossing points and improve pedestrian movements within the built environment.
