HEALTH AND SAFETY (DO NOT ALTER THE WORDING OF THIS SECTION)

Protecting the health and safety and welfare of our employees, and our third parties including members of the public, contractors, service users and pupils, is the starting point for a forward-thinking Council.

All employees are responsible for:

- Taking care of their own health and safety and welfare, and that of others who may be affected by their actions or omissions;
- Co-operating with management and following instructions, safe systems and procedures;
- Reporting any hazards, damage or defects immediately to their line manager; and
- Reporting any personal injury and work related ill health, and accident or incident (including 'near misses') immediately to their line manager, and assist with any subsequent investigation, including co-operating fully with the provision of witness statements and any other evidence that may be required.

Line managers have additional responsibilities for ensuring all health and safety risks under their management are identified, assessed and controlled, with specialist input from H&S Advisers and others including Occupational Health where required. Where the risks cannot be adequately controlled the activity should not proceed.

Additional information can be found in the [Council Health and Safety Policy](#).
