

The City of Edinburgh Council (Traffic Regulation: Restrictions on Waiting, Loading and Unloading, Stopping and Parking Places) (Variation No. 12) Order 2026 - **TRO/25/46**

The proposed new waiting and loading restrictions on Oxfords Road North - Colinton Mains Road. The aim to improve road safety and accessibility for pupils walking, wheeling, and cycling to school. These restrictions respond to ongoing concerns regarding parked vehicles obstructing visibility at key junctions, corners, and crossing points, which can increase the risk of accidents and hinder safe passage for children and other pedestrians.

Following detailed assessments and engagement with school communities, it has been identified that extending restrictions to operate 24 hours a day will provide consistent protection against obstructive parking, particularly during early mornings, evenings, and weekends when safety risks remain.

The introduction of these new waiting and loading restrictions will enhance visibility for both pedestrians and drivers, reduce potential conflicts, and ensure crossing points remain clear and accessible. This supports the Council's commitment to promoting active travel by making routes to school safer and more convenient.
