

THE CITY OF EDINBURGH COUNCIL (MORNINGSIDE ROAD AREA, EDINBURGH)
(REDETERMINATION OF MEANS OF EXERCISE OF PUBLIC RIGHT OF PASSAGE) ORDER
202_ **- RSO/26/04**

The changes being promoted under this statutory order are necessary to retain, make permanent, and improve an existing temporary pavement buildout on Morningside Road between its junctions with Falcon Avenue and Falcon Road West.

The proposals will bring this section of pavement up to the standards and recommendations as outlined for footway provisions within the Edinburgh Street Design Guidance. Delivering the proposed at-pavement level permanent buildout will increase the accessibility and equity of footway provision for all pavement users.

The primary objectives of the proposals being promoted under this statutory order are as follows:

- The introduction of a new area of at-pavement level footway that will widen the current narrow section of permanent pavement and make the temporary area accessible to all pavement users.
- Renewal and improvement of the signal-controlled pedestrian crossing which currently lands on the narrow section of pavement.
- The extension of the northbound Morningside Place bus stop to improve bus access for drivers to serve this bus stop.
- Necessary parking and loading restriction changes to enable the new road and pavement layouts to operate safely, with all pavement and road users in mind.
