(STOPPING UP) ORDER 2026 - PO/25/18

The stopping up and redetermination order is required in perpetuity to enable removal of the existing bridge on South Gyle Road, permitted under prior approval, and the redetermination of parts of the South Gyle Road as cycle track for use by pedestrians and cyclists, as detailed on the plans. The replacement of the bridge is part of Network Rail's electrification of the rail line. A replacement bridge for pedestrians and cyclists is to be installed.
