STATEMENT OF REASONS

The City of Edinburgh Council (Traffic Regulation; Restrictions on Waiting, Loading and Unloading, Stopping and Parking Places) (Consolidation No. 5) Order 2026 - CO/26/17

The Council introduced the City Centre West to East Cycle Link (CCWEL) Traffic Regulation Order (TRO/17/91) which affected parking regulations on Coates Gardens. The TRO completed the statutory process with TRO/17/91 coming into operation on 31 May 2022.

While written Orders are still used for all moving traffic restrictions, all static restrictions (such as yellow lines, parking places etc) are now shown using a map-based Order.

It is now necessary to carry out a further, shortened, legal process to consolidate the effects of TRO/17/91, relating to Coates Gardens, so that the changes to the static restrictions are brought together into the 2025 map based Order.
